

**ADVANCED DELEGATE ASSIGNMENTS**

Assignments have been divided up among schools as equitably as possible. All assignments are single delegate except...  
 Security Council / Dual delegation  
 Diplomacy / Triple delegation

The assignments are based on the numbers we were given. If they should change, let us know which position you are opening up.

If we get a sudden influx of school sign ups, it might become necessary to open up a new committee in Advanced or Novice. Any new committee would be a Security Council. Some spots may be moved from the "A" committee to the "B" committee. We will notify you if that happens. It will not affect your delegate's position in the slightest.

Please let us know as soon as possible of any errors or miscuts. We'll do our best to
