

# MEET YOUR CHAIRS

## Middle-School Committee

**Camille Dang**

**Smeet Shah**

**Amsal Ali**

Hi, my name is Amsal and I am a junior here at Whitney! I became involved in MUN during the second half of my 8th grade year and presently serve as the Co-Director of Middle School MUN for our program. I love basketball, hiking, participating in grassroots activism, and space technology. My favorite activity is to sit back and relax, whilst reading a book or honestly doing nothing.
